"John's art made the most fantastical situations feel grounded and real. His work had a uniquely cinematic quality to it, and we strive to bring to the screen what he masterfully accomplished on the page: characters that, even as they're pulled into extraordinary situations, still seem human and believable. He was a wonderful artist and storyteller, collaborator and friend to so many of our people here at Marvel."

– Kevin Feige
PRESIDENT, MARVEL STUDIOS

"John is one of the defining creative voices of his generation, whose work will be celebrated for years to come. His artistic and design skills were unparalleled, and he moved into otherworldly when you took in his ability to tell a story visually. With all that being said, he was simply a great guy who enjoyed a great meal and a quiet conversation. I will miss John dearly, and I consider myself lucky to have been his friend."

– Dan Buckley
PRESIDENT, MARVEL COMICS & FRANCHISE

"John approached his art in the same way he did everything in life: fearlessly. It's what made him so good at what he did. From the soft touch needed on certain lines, to the bold bravado of the shots he often chose, John made every page better by putting 100% of himself into every composition and character. His comics truly embody his spirit, and while he's left us far too early, his legacy will live forever in these stories that he loved telling."

RAL DORN

WOLVERINE

CRYSTAR

HULK

Attempting to intercept smuggled dragon eggs, Deadpool was attacked by Baron Skagerackrakor, who wanted the eggs for himself to overthrow the rightful ruler of his home dimension of Rammatpolen: Ral Dorn, Dragon Lord. But this was all part of Ral's plan to draw the Baron out to reclaim his sacred staff. The Baron put up a worthy fight, but Wolverine arrived to turn the tides, allowing Ral to use the staff to open a portal to Weirdworld. There, our heroes encountered Crystar, Lord of Crystalium, who had hidden the eggs for Ral in a remote area. But before they could reach the eggs, the team was attacked by a swamp serpent, which proved impossible to defeat. Thinking quickly, Ral used the staff to open a portal and call forth a champion...the incredible Hulk!
